Re: Freedom of Information Act Request No: FA-13-0036

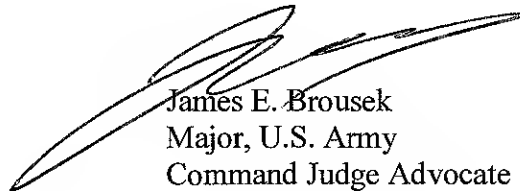

Dear Mr. Morisy:

This is an interim response to your Freedom of Information Act (FOIA) request dated April 7, 2013, received in this office on April 9, 2013, in which you requested, "A printout/listing of technical reports at DPG or West Desert Technical Information Center at Dugway Proving Ground that were dated/originated between 1961 and 1965, inclusive".

We are still processing your request. We apologize for the delay. The tool we use to process FOIAs is under repair. We are conducting a manual search. Therefore, it will take longer to fulfill your request. We will keep you updated on the status of your request.

In the meantime, if you have any questions regarding our response, please contact Tonya McGlon at (435) 831-3333 or email: [mac.herring@us.army.mil](mailto:mac.herring@us.army.mil).

Sincerely,

A handwritten signature in black ink, appearing to read "James E. Brousek", is written over the typed name and title.
